

Quackers After School Club

April/May Newsletter

Dear Parents/Carers

It's been a busy few weeks at Quackers! With the children celebrating Easter, World Book Day, Friendship Building and creating a 'Celebrations and Festival' display board (Photos to follow on the Facebook page).

Congratulations to our children who won the Easter coloring competition and for completing the World Book Challenge.

This term, we will be spending more time outside in our lovely woods so we have lots of fun and creative activities for the children to be doing.

New recourses

Over the Easter holidays we purchased some new resources which the children absolutely love. We got some new white boards and pens so the children can use these for a variety of things. We also purchased some new linking blocks which the children have been able to construct some amazing objects. (Photos to follow this week on the Facebook page).

Staffing Changes

At the beginning of this term, Tracey our Deputy Manager has decided to leave Quackers to concentrate on her role as Deputy Manager for our Pre-school. We would like to wish her well and I know the children will miss her greatly. However they will get to see her from time to time at the end of the Pre-School day as well as filling in at Quackers every now and again.

As from Tuesday 30th April, Quackers will be welcoming a new Deputy Manager - Kim. Kim will be here 4 nights a week Tuesday through to Friday. Kim comes with a wealth of experience within the wraparound care sector as well as bubbly personality which the children will love.

Thank you

Quackers Team
